

### Assessor Criteria for Determining Residence Status:

- Length of continuous residency in the place claimed as primary (owner occupied) or a long-term (yearly) lease to a tenant.
- The place of residence of the claimant's spouse.
- The location of the claimant's place of business.
- Location of vehicle registration.
- The location of schools attended by claimant or dependents.
- The nature and payment of taxes in another state or county.
- The address used on such things as:
  - Telephone listings
  - Mail
  - State and Federal Tax Returns
  - Drivers license
  - Voter registration
  - County tax rolls
  - Utility billings
