JOB TITLE	SALARY
4-H Youth Development Educator	\$10.00/HR
USU Extension Service - 19 hours per week, no benefits	

JOB SUMMARY: Work as a team with Utah State University (USU) Extension faculty and staff to provide 4-H youth programming specifically targeting Science, Technology, Engineering, & Math (STEM) in the community.

MAJOR DUTIES: Organize and teach STEM-related workshops/camps and contests in the community. Recruit and assist adult and youth volunteers to teach, build and strengthen the 4-H STEM Program in Weber County. Help to organize and maintain 4-H resources. Establish collaborations and form partnerships with other local/state/federal agencies and other educational entities in order to further the 4-H program in the county. Support the civil rights mandate of Utah State University Extension and implement innovative approaches to reach diverse audiences. Fulfill University Extension requirements for reporting and evaluation. Other related work as required.

MINIMUM QUALIFICATIONS:

- High school graduate with at least six months experience and/or education working with youth.
- Must be able to work effectively with volunteers, youth and families.
- Must be available during the afterschool hours of approximately 1 pm-6 pm and possibility of an occasional Saturday
- Self-starter with good follow through and ability to work with little supervision.
- Must own vehicle that can be used for work purposes.
- Excellent communication and interpersonal skills.
- Ability to multitask and set priorities; ability to follow written and verbal instructions.
- Outstanding time management skills.
- Basic Microsoft Office and computer skills.
- Employment contingent upon cleared background check.
- Must be able to pass a background check.

PREFERRED QUALIFICATIONS:

- College education in social science or youth development education.
- Experience teaching in a hands-on/learning by doing environment.
- Knowledge of STEM (Science, Technology, Engineering & Math) abilities.
- Knowledge and experience of current technology and computer hardware, computer software, including word processing.
- Ability to speak Spanish.

PHYSICAL DEMANDS: The employee must be able to meet the physical demands as described to perform the essential functions successfully on this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is frequently required to sit and talk or hear and listen. The employee is occasionally required to walk; use hands to handle or feel objects, tools, or controls, and reach with hands and arms. The employee must occasionally lift and/or move up to 25 pounds. Specific vision

abilities required by this job include close vision and the ability to adjust focus.
