2. PUBLIC HEARING REGARDING VACATING A PORTION OF AN 1885 COUNTY ROAD ASSOCIATED WITH THE PROPOSED BEST SUBDIVISION AT 1051 NORTH 5900 EAST

Jim Gentry, of the County Planning Division, stated that as part of the Best Subdivision review the County Recorder/Surveyor's Office is proposing to vacate a portion of 5900 East that lies within the Subdivision to make the right of way 60 feet. He noted that 5900 East (Stringtown Road) is one of the public roads (internally known as one of the 1885 County Court Roads), which was a main highway from Huntsville to Eden prior to Pineview Reservoir's construction and the valley being flooded; it is now under the Reservoir. The 1885 plat shows a 99-foot right of way through there but it is difficult to identify the precise location of the 129 year old description, therefore it is recommended to vacate that portion of the 1885 county court road description that may fall within the boundaries of the Subdivision.

Commissioner Zogmaister asked if there are other existing parts of the 1885 road and Mr. Gentry said that there are but not all of 5900 East was dedicated.
