JD 01/02.00 **INMATE GENERAL CONDUCT REQUIREMENTS**

JD 01/02.01 **Policy**

It shall be the policy of the Weber County Correctional Facility:

- A. to develop rules and regulations for inmates;
- B. to enforce inmate rules and regulations;
- C. that inmates are informed of facility rules and regulations; and
- D. that inmate rules and regulations be updated and/or reviewed as appropriate.

JD 01/02.02 **Rationale**

- A. Inmates cannot be expected to conform to the rules of the facility if they are not provided with the means to understand what is expected of them.
- B. Written rules and regulations should be provided:
 1. to ensure fair notice to inmates;
 2. to reasonably ensure that staff and inmates understand rules and regulations; and
 3. as a reference for staff and inmates.
- C. Staff should assist inmates who cannot read or otherwise understand inmate rules and regulations to ensure that all inmates have an understanding of what is expected of them.
- D. Some operations of the WCCF may be highly procedural and would require extensive explanation if included in the inmate handbook. It may be more efficient to simply reprint selected sections of the WCCF policy manual and make them available to inmates upon request rather re-write those policies in the inmate handbook.
