28.30 Purpose

- 28.30.1 To establish policy pertaining to the use of safety belts, in accordance with the County's loss control program.

28.31 Policy

- 28.31.1 The use of safety belts and child safety devices (infant, booster seats) in Office vehicles will be required. Child safety devices can be borrowed from the Weber County Health Promotions Department with notice.
- 28.31.2 Weber County mandates the use of safety belts in Sheriff's Office vehicles by both the driver and all passengers whenever the vehicle is in operation.
- 28.31.3 Office personnel operating their personal vehicle on Office business are bound by the above listed requirement.
- 28.31.4 If the use of safety belts or other restraining devices hampers the efficient conduct of law enforcement functions, or aggravates a health problem or disability of a passenger, a supervisor may grant an exception for specific situations.
- 28.31.5 Employees found in violation of this policy may have steps taken to correct the situation such as counseling, training, and or disciplinary action.
