### 30.3 Policy

- 30.3.1 The Investigations Section Budget will identify funds for the purpose of supporting general investigations and/or vice and organized crime control operations. Monies drawn from this fund may be used for activities such as payment of informants, purchasing contraband as evidence, surveillance activities and equipment. The control of operation of this fund will be the responsibility of the Operations Bureau Commander and Investigations Section Lieutenant.
- 30.3.2 Funding for drug operations as conducted by the Weber-Morgan Narcotic Strike Force will be processed according to rules and regulations set forth by the Strike Force Council.
- 30.3.3 Investigative funds will be controlled as outlined in chapter/section 12.7.
