33.21 Policy

- 33.21.1 The Bureau Commanders and the Emergency Management Section Program Manager will review the effectiveness and viability of the current emergency operations plan, as listed previously in this chapter, on an as-needed basis. Such a review may entail a mock situation occurrence, for purposes of evaluating and improving or updating the plan.
- 33.21.2 Copies of the emergency operations plan are filed in the offices of the Sheriff, Bureau Commanders, and the communications center (WACDC).
- 33.21.3 A copy of the Emergency Operations Plan and the Hazardous Materials Plan are issued to all Lieutenants and Sergeants; and should be kept in the supervisors vehicle or work area for easy access during emergency field operations.
