6.19.1 Purpose

To require the periodic evaluation of the progress of written goals and objectives for the Weber County Sheriff's Office and its sub-units.

6.19.2 Rationale

Frequent periodic review of the progress made regarding Sheriff's Office goals and objectives helps to assure the attainment of those goals and objectives.

6.19.3 Policy

- A. Bureau Commanders will routinely keep the Sheriff informed of the progress made in attainment of their bureau goals and objectives. This information will be incorporated into the review and/or revision of the bureaus long-term goals and objectives, not less than annually and as often as quarterly at the discretion of the Sheriff.
