Re: FTO Coordinator

#12-05

Effective immediately, Sgt. Josh Marigoni will be given the collateral assignment to coordinate Field Training of new Corrections Deputies and Corrections Assistants.

Sgt. Marigoni will serve as liaison between FTOs, Shift Sergeants, Corporals, and Watch Commander while keeping Training Bureau Lieutenants apprised of progress. Suggestions for any revisions of the FTO programs should be given in writing to the Coordinator, who will forward through the chain of command. Timely submissions of progress reports and evaluations from FTOs will be a major emphasis.

While Field Training is certainly a group responsibility, Sgt. Marigoni will be vital in assuring success through coordination of efforts and cooperation.
